

Wind At Water's Edge

2001 Trevor Tchir (SOCAN/ASCAP) from album "November" trevortchirmusic.com

Intro: G//// //// //// ////

G//// Em// C// G//// ////
Love me and hang your hair above the cliff at aged sea
G//// Em// C// G//// ////
Lose me in the green fields that dance to blue eye breeze
D// C// G////
Love me as it lets alone the flaming in our sides
 D// C// G////
While we're young enough in body and old enough in mind
 Em D// C// G//// ////
To know someday the wind at water's edge won't be so kind

Love me as the black cloud creeps towards the bay
Lose me with the waves reaching higher by the day
Love me while the clouds hold on to chilly rain
While the needle of tomorrow has yet to find a vein
Leave me one more kiss before the flood slows the rhythm of our game

Chorus:

G//// Em// C// G//// ////
Na na na na na na na na Not a handy little love
G//// Em// C// G//// ////
Na na na na na na na na Not a handy little love
D// C// G////
Keep your heart out open to our fire still-a-burning
D// C// G////
Bare it to me freely without fear for its return
Em//// D// C// G//// ////
Na na na na na na na na Not a handy little love

Love me beneath the kindling tree we've yet to know
Lose me in the dizzy spinning wonder that it holds
Love me as the leaves melt to ember warming glow
While they keep us from the rain soon to pummel down in droves
Before the faded wind at water's edge leaves us naked to the cold

Chorus

Na na na na na na na na Not a handy little love (3x)
