Notes: Key of G, G harmonica

Intro: C// G// D// G// C// G// D//// (2x)

C// G// D// G//  
Thunder Bay to Jasper town  
C// G// D////  
Over prairie checkerboards  
C// G// D// G//  
Glory flies; her mother drives  
C// G// D////  
Out alone to let the sun down at Katherine  
Cove

Chorus:

C// G// D// G//  
Oh baby girl, did you have to go?  
C// G// D// G//  
Oh Redwater flow  
C// G// D// G//  
Fingers bleed, and barley grows  
C// G// D// G//  
Oh Redwater Flow

Down below the wooden castles fall  
And all that's solid melts to soil  
The berries hang dry and Grandma cries  
And puts her supper on to boil

Chorus:

Oh lover friend, did you have to go?  
Oh Redwater Flow  
Fingers bleed, and barley grows  
Oh Redwater Flow

Interlude: C// G// D// G// C// G// D//// (2x)

Grandpa's sleeping happy now  
A million Jackfish in the sky  
He worked his days and all the red he gave  
Pulled ten little angels to his side

Chorus:

Little angels, go where you must go  
Oh, Redwater flow  
Fingers bleed, and barley grows  
Oh Redwater Flow  
Fingers bleed, and barley grows  
Oh Redwater Flow

Outro: C// G// D// G// C// G// D// G
