Intro: G//// //// //// ////

G////

I get the taste for a few

G// G9//

Wetting my spirit loose

C7////

Oh, the next thing you know

C7////

I'm the last soldier out the door

G////

Wake up and I hurt the same

Em////

Got nobody else to blame

G// D7// G////

I'm thinking 'bout starting clean

Em////

Oh, I'm thinking

G// D7// G//// //// //// ////

Thinking 'bout starting clean

Back on the side of the mountain

Pushing up that old stone again

Oh, when my words they fall

Crash down like an avalanche

I can't put them back in place

I've come to lean on your grace

I'm thinking 'bout starting clean

Oh, I'm thinking

Thinking 'bout starting clean

Interlude: G//// // G9// C7 //// ////

G//// Em//// G// D7// G//// ////

Bridge:

Em////

G////

All the people in this life that I love

Em////

G////

I let them down, I let them down

Em////

G////

This thing I got a handle on got a handle on me

A////

D7////

Oh, and it's pulling strong, so hard it can't be  
wrong

And I've sung this song before

I know how the story goes

I get my arrow straight

I just can't pull the bow

And then when that courage comes

Drift back where I started from

Thinking 'bout starting clean

Oh, I'm thinking

Thinking

Oh, I'm thinking

Thinking 'bout starting clean
