Intro: C/// /// F/// F7/// C/// G/// C/// ///

Verse 1:

C/// /// F/// C///
There's a Smoky Lake moon shining tonight
C/// /// G/// G7///
There's a Smoky Lake moonshine
C/// C/// F/// ///
And it warms every wall at the old Bluebird Hall
C/// G/// C/// ///
And helps us forget to a while

Verse 2:

C/// /// F/// ///
Under the thatch roof up north, new Galicia
C/// /// G/// ///
While his little ones sleep on the stove
C/// /// F/// ///
My newcomer friend, he faithfully tends
C/// G/// C/// C7///
To the brew that'll lighten my load

Chorus:

F/// /// C/// ///
There's a Smoky Lake moon shining tonight
C/// /// G/// G7///
And it glows over trying times
C/// /// F/// F7///
Thank heaven for the dusty faced friend of mine
C/// G/// C/// ///
And his Smoky Lake moonshine

Interlude:

C/// /// F/// C///
C/// /// G/// G7///
C/// /// F/// /// C/// G/// C/// ///

Verse 3 (same as Verse 1 chords):

You can shine it down south at a young Yankee
mouth
Make it smile all the way to La Marne
You gotta keep it from the dries and their
suffragette wives
Who would drain every back shed and barn

Chorus

Interlude

Verse 4 (same as Verse 1 chords):

All the loyal John Smiths, they don't like him
one bit
And they damn his sheep skin coat
But they don't realize what's under that hide
Is what lifts me from the pain that I know

Chorus

Repeat last line:

Thank heaven for the dusty faced friend of mine
And his Smoky Lake moonshine
