E// C#m// B////
There's a great biblical rain
E// C#m// B////
Hounding the drain on Laurier street
E// C#m// B////
All the world was ten minutes early
E//

So I strolled in a hurry

B// E////
To where we would meet
A////

There's a girl as there

B//// E// C#m// B////
is a girl most every time, oh no,
A//// B//// (E)
Every time my mind frees and changes design

Chorus:

E// C#m// B////
Oh, girl of the hour
E// C#m// B////
You've got the power I lost when I knew
E// C#m// B////
The things that I do don't go over with you
E// C#m// B////
So I changed them again, oh no,
E// C#m// B////
And again and again, oh no

Interlude part 1:

D#-11b5//// G#7//// C#m// B// A////
F#m//// B////

Interlude part 2 :

E// C#m// B//// E// C#m// B////
E// C#m// B//// E// B// E//// B7////

What you got on your plate, carney boy?
You know the future's in soy
What's you doing with that pig?
So, I took the red curry instead
As it came to my head
It's her spice that I dig
Then the girl, as the girls they do
Most every time, oh no,
Broke my resolve
With a violent wink of an eye

Chorus

Interlude part 1

E// C#m// B////
