We were Armstrong and Glenn
Singing Sweetheart of the Rodeo
A Bighorn range on the horizon
Said goodbye at Cheyenne
To red Wyoming highway
Into Colorado - her mountains cast no
shadow
Past Loveland, down the twenty-five
Headed west at Mile High
Climbing higher
Are we there yet?
Are we there yet?

Interlude 2: C//// Am//// C//// Am////
F//// G//// C//// Am//// C//// Am////

Found a Steamboat stream
That I'd come to in a dream
A thousand rainbows a-jumpin'
Tied the perfect fly
Gonna catch one every time
With all the world in its place
And the water to our waists
A hill crane coasted through the quiet
Pink and purple sun
Yeah, this may be the one
Are we there yet?
Are we there yet?
Are we there yet?
Are we there yet?
