I'm the last soldier out the door

Wake up and I hurt the same

C#m////

Got nobody else to blame

E// B7// E////

I'm thinking 'bout starting clean

C#m////

Oh, I'm thinking

E// B7// E//// //// //// ////

Thinking 'bout starting clean

Back on the side of the mountain

Pushing up that old stone again

Oh, when my words they fall

Crash down like an avalanche

I can't put them back in place

I've come to lean on your grace

I'm thinking 'bout starting clean

Oh, I'm thinking

Thinking 'bout starting clean

Interlude: E//// // E9// A7 //// ////

E//// C#m//// E// B7// E//// ////

Bridge:

All the people in this life that I love

C#m////

Oh, and it's pulling strong, so hard it can't be  
wrong

And I've sung this song before

I know how the story goes

I get my arrow straight

I just can't pull the bow

And then when that courage comes

Drift back where I started from

Thinking 'bout starting clean

Oh, I'm thinking

Thinking

Oh, I'm thinking

Thinking 'bout starting clean
