Let's skip this city for the sweeter air
G// Em// C// G//// Em// C// G//
Keep it down low - take the back roads
G// Em// C// G//// Em// C// G//
To a place I know by a fishing town
G// Em// C// G//
Where the sand is white and there's no one around
G// Em// C// G//
The sand is white and there's no one around

Chorus:
D//// ////
Oh, my, my, it's the healing time
C//// G//// C//// G////
Time to breathe the sweeter air Breathe the sweeter air

Interlude 1: D//// C//// G// Em// C// G//// Em// C// G//

The water's as warm as it'll get this year
We could float out where the bottom disappears
The clouds tell a story and the songbirds sing
Make love in the tall grass and dive in again
Oh, love in the tall grass and dive in again

Chorus

Interlude 2: D//// //// C//// G//// C//// G//// D//// C//// G// Em// C// G//// Em// C// G//

Come in close when the day turns night
You always looked so good under falling light
Driftwood fire and a dancing sky
Oh, if we could live like this on the day we die
Yeah, live like this on the day we die

Chorus (2x)
